IEO BONUS

During the EBL presale, we are offering our IEO participants the following great bonuses.

- ❑ **BONUS 1** - 2 generations deep EBL bonus. 1st level = 10%; 2nd level = 5%. Meaning, you will receive 10% of your direct referrals purchases and 5% from their referrals purchases. (there is no requirement to receive this bonus)
- ❑ **BONUS 2** - Up to 3 generations deep sales commission where you get up to 40% from your team's purchase. The percentage depends on your own purchase and is paid in the currency your team member has made the purchase, e.g. BTC or ETH.

Bonus In EBL ¹	
1st LEVEL	10%
2nd LEVEL	5%

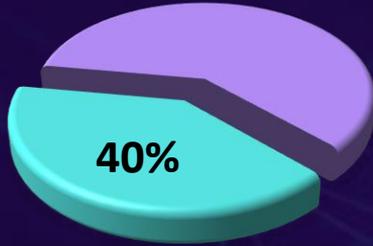

¹ EBL bonus does not require a personal purchase.

Bonus is being paid to your account at the moment your team has made the purchase.

Sales Commission in BTC, ETH, etc. ²					
	Own Purchase	1 st LEVEL	2 nd LEVEL	3 rd LEVEL	TOTAL BONUS
1	0 EBL	5%			5%
2	25 000 EBL	10%			10%
3	50 000 EBL	10%	5%		15%
4	100 000 EBL	15%	5%		20%

VIP Earnings

MONTHLY EARNINGS PER 1 VIP¹

¹ it is just an illustration to show the ROI potential and does not reflect the actual reality.

As we have a monthly subscription, we know exactly how much the company earns from every active member. E.g. with every 25€ subscription payment the company earns ≈ 6€.

VIP Earnings According To The Company's Net Profit ²

	Users On The Platform	20% net profit	40% net profit	60% net profit
1	5 000	2.40€	4.80€	7.20€
2	10 000	4.80€	9.60€	14.40€
3	25 000	12€	24€	36€
4	50 000	24€	48€	72€
5	100 000	48€	96€	144€
6	250 000	120€	240€	360€
7	500 000	240€	480€	720€
8	1 000 000	480€	960€	1440€

² With every 25€ subscription the company earns ≈ 6€. Net profit is the amount that is left when all expenses have been paid.

³ Those earnings are only with the basic subscription. Meaning that actual earning can be much higher when we have more options available.

EVBYLiM Bonus Plan & IEO

EVBYLiM Bonus Plan is built as modified binary where members can earn **12%** to **24%** from the pay leg making it one of the most lucrative binary plans on the market.

The Binary structure is being filled according to the EBL purchase schedule. Meaning those who have purchased earlier will be placed first in the binary giving them a **BETTER AND HIGHER** position.

In short, the **EARLIER** you decide to contribute to the project by purchasing any number of EBL (minimum purchase is 1000 EBL), the **BETTER POSITION** you will get in the binary
